

2020 BCRL Fall Soccer and Volleyball Signups

www.bcrl.org

Due to the fluid Covid-19 situation NO money is being collected right now. However, note a few things:

- If you want to play you must sign up now. Normal deadlines and such will apply and signups will close by June 15th. Anything after that is case by case.
- ALL signups moving forward will be online. There is an online fee that is non-refundable (BCRL doesn't get refunded when we refund transactions). This fee will not be charged until payment is made.
- Signing up now is a commitment to play and the fee must be paid if the state allows us to have fall soccer and/or volleyball.
- Once the season is a go, a link will be given to you to pay online.
- If you have a credit from this spring season you will be able to apply that credit to these registrations
