Ohio South Background Screen

**PLEASE READ CAREFULLY:**

Our focus is to improve the safety of the playing environment for all youth soccer. As of July 9, 2019, Ohio South will move background check providers to NCSI – the provider who provides a high standard of background checks to all United States Olympic sports (U.S. Soccer, U.S. Baseball, U.S. Volleyball, etc.). By making this switch, Ohio South is streamlining the screening process for coaches, admins, board members, etc.; and thereby striving to create a safer environment for children.

Background checks are now required for the following adults: Coaches and Soccer Administrators; Members of Leagues and Clubs; Club Administrators, Team Administrators and Tournament Organizers; Athletic Trainers; and Organizational Employees who may have direct and unmonitored access to minors.

NCSI uses the platform SportsEngine to capture the requisite information to run the background checks.

If you are a NEW coach/admin/board member or other identified adult who did not register in Stack last season (May 2018-April 2019), register below.

If you registered as a Coach (even if you are not one) in Stack for the 2018-19 Season, complete this waiver and move forward in your registration as you have a valid background check.
